

UNITED STATES DISTRICT COURT  
DISTRICT OF NEW HAMPSHIRE

United States

v.

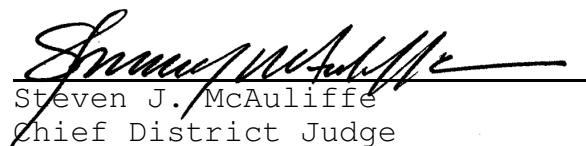

Case No. 05-cr-57-01-SM

Gordon Reid

ORDER

Re: Document No. 606, Motion for Additional Transcripts

Ruling: Granted. As the court recalls the matter, defendant was allowed a complete transcript of his trial. The government does not challenge defendant's assertion that he did not receive the specified portions of the trial transcript. The court's stenographers shall forthwith produce copies of the portions of the transcript defendant identifies as having not been received (i.e. jury selection; December 12th - afternoon session; and conference related to the jury question), and the clerk shall promptly express mail those copies to defendant. Defendant may file any appropriate motions based upon those portions of the trial transcript on or before the scheduled sentencing hearing on February 1, 2008, at which time the government may respond and the court will consider the issues raised.
